## CONFERENCE COMMITTEE FOR ESHB 2929

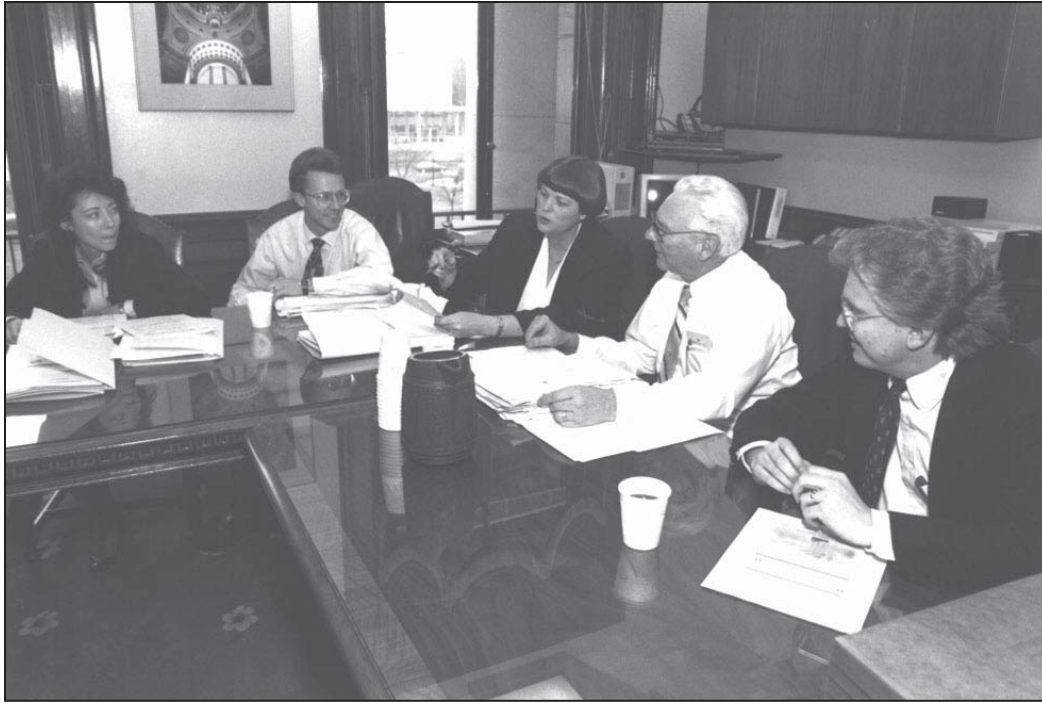

HB 2929 was introduced the nineteenth day of the Fifty-first Legislature, January 26 and was sent to the Appropriations Committee. It was subject to intense scrutiny as it made its way through the legislative process, finally passing the House with amendments on March 9, when it was sent to the Senate. The Senate also amended the bill, but the House members refused to concur. A conference committee was appointed, but members Representatives Nutley, Cantwell and Betrozoff could not reach agreement with Senate members Senators Vognild, Amondson and McCaslin. A free conference committee finally resolved the contentious issues by amendment and the House voted on April 1 to accept the bill, 72 yeas, 21 nays, with 5 excused. The governor signed the bill into law on April 14, but vetoes several sections.
